Middlesex Health Unit

Description

The Middlesex Health Unit is one of the 35 health units across Ontario that provides a wide variety of services to the community.

The Health Unit provides services and programs at its office in downtown London at 50 King Street.

This is where you can get immunized, access dental health programs, sexual health and family planning services and take several classes and workshops.

Services & Activities

The health unit provides a wide variety of services including

- Provide a variety of clinics including sexual health
- STI testing and treatment options
- Provide educational resources and classes.
- Provide program and support group meetings
